SYRIA FOODPEX

DISCOVER SYRIA'S POTENTIAL

SYRIA FOODPEX - 12th Syria International Food, Food Technologies and Packaging Exhibition will open its doors on **November 29 - December 02, 2025** with thousands of industry professionals.

SYRIA FOODPEX has established itself as Syria's leading and largest international food, food technologies and packaging exhibition, showcasing the latest industry innovations and trends. Beyond its reputation in the region, **SYRIA FOODPEX** attracts buyers, distributors and investors from neighboring countries. As the region's most prestigious food and packaging technology sector exhibition, it brings together private companies and high-level buyers, as well as the involvement of government agencies and organizations, providing a unique platform for robust networking and business opportunities for international exhibiting companies.

SYRIAN FOOD AND TECHNOLOGY PROFESSIONALS UNDER ONE ROOF

- The fair, which will be held for the 12th time, is Syria's **largest and most prestigious food, food technologies and packaging fair**.
- It is the perfect platform to **enter the Syrian market** and meet high-level buyers.
- The fair will increase regional cooperation and accelerate trade relations.
- You can develop your distributor network directly through Syria's **most prestigious food, food technologies and packaging fair**.
- Your company will have the opportunity to **enter the market directly at the fair**, which is the most appropriate meeting point in the region.
- Within the scope of the country's redevelopment goals, **International food, food technologies and packaging companies** have a **major role to play in the country's largest food and packaging fair**.
